## Battery Life

Up to 10 years\*

## Tribrid<sup>®</sup> Anchor A1

The Tribrid<sup>®</sup> Mesh Anchor is suitable for both indoor and outdoor use and is battery-powered. Depending on the configuration, battery life of up to 10 years is possible. The battery can be easily replaced if needed.

### Mounting

The Tribrid<sup>®</sup> Mesh Anchor can be mounted flexibly and easily. It can be attached to walls, ceilings, columns, or beams using magnets, adhesive, screws (screw holes Ø approx. 6 mm) or cable ties as needed. This ensures quick and secure installation in various environments.
